SPRING HILL COUNTRY HAM FESTIVAL FOUNDATION ANNOUNCES JOHN MAHER BUILDERS SIGNS ON FOR 4TH YEAR AS TITLE SPONSOR

SPRING HILL, TENN. – Spring Hill Country Ham Festival Foundation is very pleased to announce John Maher Builders' continuing support of the 4th Annual Spring Hill Country Ham Festival. This announcement seals the solid partnership between John Maher Builders and the Foundation.

The Spring Hill Country Ham Festival sponsored by John Maher Builders is pleased to bring you Spring Hill's premiere community event, Saturday Oct. 6, at its new location, The Tennessee Children's Home located off Saturn Parkway on Kedron Road in downtown Spring Hill. With lots of room to grow this kid-friendly event, Davis Kidd, Nashville's hometown Booksellers, is joining the festival's commitment to children again this year with a regional coloring contest featuring book covers from the most loved and memorable "piggy" titles. All pictures will be on display at this year's festival. The covers will be featured on the Davis Kidd website starting Aug. 1st. All pictures will be on display at the festival's lakefront border fencing with prizes for all the children. Davis Kidd will also feature story time with costumed characters on festival day.

The Foundation invites you to come out and support The Tennessee Children's Home on Sat. June 16 to celebrate the Families First Festival. Admission is FREE. A motorcycle run, a community wide yard sale, great food, music and entertainment are all part of this exciting day to come and visit The Tennessee Children's Home and The Spring Hill Country Ham Festival sponsored by John Maher Builders, at their new home.
